*A STELLAR COLLECTION*  
*MARTY CASEY EXPANDS SILVER ELEMENTS*

CHICAGO, NOVEMBER 2008 - After a successful launch of the first item in *The Marty Casey Silver Elements Collection*, Chicago Rockstar Marty Casey has added to his signature collection just in time for the Holiday season.

This series is named "Stars" in conjunction with his new song, "I See Stars". The collection consists of modern jewelry and unique accessories designed with the environment in mind. The philosophy of the Silver Elements collection is Luxury for Less. The merchandise is high in quality and design integrity, utilizing materials such as finest grade 925 sterling for jewelry as well as hand-loomed eco friendly bamboo for the accessories. Most of the items retail for under \$100. The collection will be available at [www.martycasey.com](http://www.martycasey.com).

As with his premiere item, there will be an alliance with American Forests. All items sold support the "Marty Casey Elements of Nature Fund", where every \$ plants a tree as part of American Forests "Global Releaf" Ecosystem Restoration Projects.

MARTY CASEY

Marty Casey amassed a few million fans around the world thanks to his remarkable run on the hit television show, ROCKSTAR: INXS. While on ROCKSTAR, Marty Casey became the fan favorite and introduced his original tune, "Trees" to much acclaim. For more information on Marty Casey visit [www.martycasey.com](http://www.martycasey.com)

American Forests, [www.americanforests.org](http://www.americanforests.org) helps people improve the environment with trees and forests. It is the nation's oldest nonprofit citizens' conservation organization.
